T80-4

Tables of Redemption Values for United States Savings Bonds

NEWARK PUBLIC LIBRARY
JUN 4 1980
U. S. GOVT. PUBS.
DEPOSITORY 376

Series EE

For all Months
From July 1980
Through December 1980

Department of the Treasury
Bureau of the Public Debt

T63.209/7

IMPORTANT-PLEASE READ

1. These tables are distributed direct to qualified paying agents by the Bureau of the Public Debt. Paying agents may obtain additional tables from the Federal Reserve Bank or Branch to which they send paid bonds. The Federal Reserve Bank or Branch should be notified of any change in the number of tables required on a regular basis.

2. **Required Taxpayer Number.** Payees are required to provide their social security or taxpayer identification numbers on all bonds presented for redemption, under Department of the Treasury Circular No. 3-80.

3. **Identification Guidelines.** Departmental requirements governing identification are contained in Form PD 3900. If the guidelines are followed, agents can carry out their responsibility for cashing bonds and be sure they will not incur losses.

4. All bonds should show an impression of the issuing agent's dating stamp.

5. All bonds must show an issue date. The issue date appears in the upper right section on the face of each Bond and is used in determining the redemption value of the bond. Such issue date should not be confused with the date appearing in the issuing agent's dating stamp, which should not be used to determine redemption value. January 1, 1980 is earliest authorized issue date for Series EE bonds.

6. All Series EE bonds bearing issue dates on or after January 1, 1980 mature 11 years after the issue date.

7. The vignettes on savings bonds, by denominations, are:

$50—Franklin D. Roosevelt	**$100—Dwight D. Eisenhower**	**$ 500—Woodrow Wilson**	**$ 5,000—William McKinley**
$75—Harry S. Truman	**$200—John F. Kennedy**	**$1,000—Theodore Roosevelt**	**$10,000—Grover Cleveland**

SUGGESTIONS FOR PAYING AGENTS TO REDUCE THE NUMBER OF ADJUSTMENTS IN CASHING SERIES EE SAVINGS BONDS

1. TO AVOID PAYING INCORRECT AMOUNT ALWAYS USE CURRENT TABLE AND DESTROY OLD TABLES.
2. DO NOT PAY—
   (a) Bonds inscribed in names other than individuals.
   (b) Beneficiaries named in inscription.
   (c) Bonds where month and year of issue are not clear.
   (d) Mutilated or defaced bonds or those which, for any reason, do not appear to be genuine.
   (e) Bonds requiring legal evidence to redeem.
3. AN IMPRINT OF THE PAYMENT STAMP AND THE AMOUNT PAID SHOULD BE CLEARLY SHOWN ON EACH BOND.
4. IN NO CASE SHOULD THE REDEMPTION VALUE ON AN "INCREMENT DATE" BE PAID TO A BOND OWNER PRIOR TO THAT DATE.
5. AFTER BOND HAS BEEN CASHED, IT CANNOT BE REINSTATED.

For detailed information refer to Treasury Department Circular, Public Debt Series No. 1-80
